Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Industrial-process Measurement and Control Standards Committee (PCL/-) to Technical Committee PCL/3 upon which the following bodies were represented:

- Department of the Environment
- Department of the Environment for Northern Ireland
- Institute of Measurement and Control
- Institution of Civil Engineers
- Institution of Water Engineers and Scientists
- Scientific Instrument Manufacturers' Association (BEAMA)
- Scottish Development Department
- STC Water Regulations and Fittings Scheme
- Welsh Office
- Coopted members

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- British Industrial Measuring and Control Apparatus Manufacturers' Association (BEAMA)
- Clyde River Purification Board
- Institute of Hydrology
- Thames Water Authority, Metropolitan Water Division

This British Standard, having been prepared under the direction of the Industrial-process Measurement and Control Standards Committee, was published under the authority of the Board of BSI and comes into effect on 30 December 1983
