Co-operating organizations

The Mechanical Engineering Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and professional and industrial organizations:

Associated Offices Technical Committee	Department of Trade and Industry — National
Association of Consulting Engineers	Engineering Laboratory
Association of Hydraulic Equipment	Electricity Supply Industry in England and
Manufacturers Ltd.	Wales
Association of Mining Electrical and	Engineering Equipment Users' Association
Mechanical Engineers	Federation of Manufacturers of Construction
British Compressed Air Society	Equipment and Cranes
British Electrical and Allied Manufacturers'	Institution of Civil Engineers
Association	Institution of Gas Engineers
British Gas Corporation	Institution of Heating and Ventilating
British Gear Manufacturers' Association	Engineers
British Internal Combustion Engine	Institution of Mechanical Engineers*
Manufacturers' Association	Institution of Plant Engineers
British Mechanical Engineering Confederation	Institution of Production Engineers
British Pump Manufacturers' Association	London Transport Executive
British Steel Industry*	Machine Tool Trades Association
Crown Agents for Oversea Governments and	Ministry of Defence
Administrations	Ministry of Defence, Army Department
Department of Employment (HM Factory	National Coal Board
Inspectorate)	Process Plant Association
Department of the Environment	Railway Industry Association of Great Britain
Department of Trade and Industry — Energy	Royal Institute of British Architects
Technology	Telecommunication Engineering and
Department of Trade and Industry (Marine)	Manufacturing Association

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

British Non-ferrous Metals Federation — High	Institute of Iron and Steel Wire Manufacturers
Conductivity Copper Group	Individual experts
British Hard Metal Association	
British Independent Steel Producers	
Association	

This British Standard having been approved by the Mechanical Engineering Industry Standards Committee, was published under the authority of the Executive Board on 29 July 1974
