Foreword

This edition of BS 3900-F6, which replaces the first edition published in 1972, is technically identical with International Standard ISO 2810 *“Paints and varnishes — Notes for guidance on the conduct of natural weathering tests”*.
A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, pages 1 to 7 and a back cover.
This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

Amendments issued since publication
