Co-operating organizations

The Non-ferrous Metals Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

- Aluminium Federation
- Association of Bronze and Brass Founders
- British Electrical and Allied Manufacturers' Association
- British Lead Manufacturers' Association
- British Non-ferrous Metals Federation
- British Non-ferrous Metals Technology Centre*
- British Steel Industry
- Copper Development Association
- Department of Trade
- Electric Cable Makers' Confederation
- Institute of British Foundrymen
- Institution of Mechanical Engineers
- Institution of Mining and Metallurgy
- Institution of Production Engineers
- Institution of Structural Engineers
- Lead Development Association
- Light Metal Founders Association
- London Metal Exchange
- Magnesium Industry Council*
- Ministry of Defence*
- National Brassfoundry Association
- Non-ferrous Metal Stockists*
- Post Office
- Royal Institute of British Architects
- Society of Motor Manufacturers and Traders Ltd.*
- Tin Research Institute
- Zinc Development Association
- Individual manufacturer

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the committees entrusted with the preparation of this British Standard:

- Department of Industry — Laboratory of the Government Chemist
- Institute of Sheet Metal Engineering
- Individual analysts

This British Standard, having been approved by the Non-ferrous Metals Industry Standards Committee, was published under the authority of the Executive Board on 31 March 1976
