Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Non-ferrous Metals Standards Policy Committee (NFM/-) to Technical Committee NFM/22, upon which the following bodies were represented:

- British Cable Makers' Confederation
- British Lead Manufacturers' Association
- Department of Trade and Industry (Minerals and Metals Division)
- Institute of Plumbing
- Institute of Roofing
- Institution of Corrosion Science and Technology
- Lead Contractors' Association
- Lead Development Association
- Ministry of Defence
- Process Plant Association

The following body was also represented in the drafting of the standard, through subcommittees and panels:

- British Battery Makers' Society

This British Standard, having been prepared under the direction of the Non-ferrous Metals Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 31 January 1990

© BSI 09-1999

First published March 1967
First revision January 1990
