

Method for

The determination of iron in lead and lead alloys (photometric method) —

Methods for the sampling and analysis
of lead and lead alloys

Co-operating organizations

The Non-ferrous Metals Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

- Aluminium Federation
- Association of Bronze and Brass Founders
- British Bronze and Brass Ingot Manufacturers' Association
- British Electrical and Allied Manufacturers' Association
- British Lead Manufacturers' Association*
- British Non-ferrous Metals Federation
- British Non-ferrous Metals Federation, High Conductivity Copper Group
- British Non-ferrous Metals Research Association*
- Copper Development Association
- Department of Trade and Industry (Marine Division)
- Electric Cable Makers' Confederation*
- Institute of British Foundrymen
- Institute of Metals
- Institution of Mechanical Engineers (Automobile Division)
- Institution of Mining and Metallurgy
- Institution of Production Engineers
- Institution of Structural Engineers
- Lead Development Association*
- Light Metal Founders' Association
- London Metal Exchange
- Magnesium Industry Council
- Ministry of Defence, Army Department
- Ministry of Defence, Navy Department
- National Brassfoundry Association
- Non-ferrous Metal Stockists
- Post Office*
- Royal Institute of British Architects
- Society of Motor Manufacturers and Traders Ltd.
- Tin Research Institute
- Zinc Development Association
- Individual manufacturers

The scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- Accumulator Makers' Association
- British Battery Makers' Society
- Chemical Industries Association
- London Transport Executive
- Ministry of Defence
- National Sulphuric Acid Association Ltd.
- Solder Makers' Association
- United Kingdom Atomic Energy Authority

Amendments issued since publication

Amd. No.	Date	Comments

This British Standard, having been approved by the Non-ferrous Metals Industry Standards Committee, was published under the authority of the Executive Board on 7 April 1972
