

Methods for

The sampling and analysis of lead and lead alloys —

Part 9: Sulphur in lead and lead alloys

Confirmed November 2008

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Non-ferrous Metals Standards Policy Committee (NFM/-) to Technical Committee NFM/22, upon which the following bodies were represented:

- British Cable Makers' Confederation
- Department of Trade and Industry (Minerals and Metals Division)
- Institute of Plumbing
- Institute of Roofing
- Institution of Corrosion Science and Technology
- Lead Contractors' Association
- Lead Development Association
- Lead Sheet Association
- Process Plant Association

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- Ministry of Defence
- Society of British Battery Manufacturers

This British Standard, having been prepared under the direction of the Non-ferrous Metals Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 30 April 1991
