

CONFIRMED
DECEMBER 2007

Specification for

Thermal insulation materials —

**Part 4: Bonded preformed man-made
mineral fibre pipe sections**

Cooperating organizations

The Refrigeration, Heating and Air Conditioning Standards Committee, under whose direction this British Standard was prepared, consists of representatives from the following:

Association of Manufacturers of Domestic Electrical Appliances	Electricity Supply Industry in England and Wales*
Association of Consulting Engineers	Heating and Ventilating Contractors' Association
Boiler and Radiator Manufacturers' Association Limited	Hevac Association
British Combustion Equipment Manufacturers' Association	Institute of Energy
British Gas Corporation*	Institute of Refrigeration*
British Refrigeration and Air Conditioning Association*	Institution of Gas Engineers*
Building Services Research and Information Association	Lloyd's Register of Shipping
Chartered Institution of Building Services*	Manufacturers' Association of Radiators and Convectors Ltd.
Department of Energy Technology	Ministry of Defence
Department of Health and Social Security*	National Coal Board
Department of the Environment (PSA)	Society of British Gas Industries
	Water-tube Boilermakers' Association*

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the Technical Committee entrusted with the preparation of this British Standard:

Albury Laboratories Limited	Eps Association
Asbestos Cement Manufacturers' Association Limited	Eurisol (UK) Association of Manufacturers of Mineral Fibre Insulation
British Ceramic Research Association	Fibre Building Board Development Organization Ltd.
British Rubber Manufacturers' Association	Gypsum Products Development Association
Combustion Engineering Association	Institution of Mechanical Engineers
Cranfield Institute of Technology	Process Plant Association
Department of Industry (National Physical Laboratory)	Royal Institute of British Architects
Department of the Environment (Building Research Establishment)	Structural Insulation Association
Department of the Environment (Housing and Construction)	Thermal Insulation Manufacturers' and Suppliers' Association (TIMSA)
Energy Industries Council	Thermal Insulations Contractors' Association
Engineering Equipment Users' Association	Yarsley Testing Laboratories Ltd.
	Coopted member

This British Standard, having been prepared under the direction of the Refrigeration, Heating and Air Conditioning Standards Committee, was published under the authority of the Board of BSI and comes into effect on 30 November 1982

© BSI 07-1999

First published March 1968
First revision November 1982
