

Breathing oxygen for airborne applications

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee ACE/38, Aircraft oxygen equipment, upon which the following bodies were represented:

- British Airways
- British Compressed Gases Association
- Civil Aviation Authority (Airworthiness Division)
- Health and Safety Executive
- Ministry of Defence
- Society of British Aerospace Companies Ltd.
- South Bank University

This British Standard, having been prepared under the direction of the Advanced Manufacturing Technology Assembly, was published under the authority of the Standards Committee and comes into effect on 15 March 2000
