

Specification for

X-ray protective lead glasses

Co-operating organizations

The Glass Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following scientific and industrial organizations:

- British Glass Industry Research Association
- Glass Manufacturers' Federation*
- Society of Glass Technology
- University of Sheffield (Department of Glass Technology)

The industrial organization marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- British Electrical and Allied Manufacturers Association
- British Institute of Radiology
- Faculty of Radiologists
- Hospital Physicists Association
- Institute of Physics and the Physical Society
- Medical Research Council
- Ministry of Health
- Radiological Protection Service
- Society of Radiographers
- United Kingdom Atomic Energy Authority

This British Standard, having been approved by the Glass Industry Standards Committee and endorsed by the Chairman of the Chemical Divisional Council, was published under the authority of the General Council on 20 June 1966
