# Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee PSE/12, Flexible metallic hose and hose assemblies, upon which the following bodies were represented:

- B G Technology
- British Compressed Gases Association
- British Rubber Manufacturers Association Ltd
- Energy Industries Council
- Engineering Equipment and Materials Users Association
- L P Gas Association
- Ministry of Defence
- United Kingdom Petroleum Industry Association Ltd

This British Standard, having been prepared under the direction of the Engineering Sector Committee, was published under the authority of the Standards Committee and comes into effect on 15 December 1999

© BSI 12-1999

First published December 1966  
Second edition January 1990  
Third edition December 1999

The following BSI reference relates to the work on this standard:
