

Conveyor chains, their attachments and associated chain wheels —

Part 1: Specification for chains (metric series)

UDC 621.855:621.867.3

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Machinery and Components Standards Policy Committee (MCE/-) to Technical Committee MCE/1, upon which the following bodies were represented:

- British Industrial Truck Association
- Institution of Mechanical Engineers
- Mechanical Handling Engineers' Association
- Precision Chain Manufacturers' Association

This British Standard, having been prepared under the direction of the Machinery and Components Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 October 1992
