

Specification for

Light gauge stainless steel tubes, primarily for water applications

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Piping Systems Components Standards Policy Committee (PSE/-) to Technical Committee PSE/8, upon which the following bodies were represented:

- Adhesive Tape Manufacturers' Association
- British Compressed Air Society
- British Malleable Tube Fittings Association
- British Stainless Steel Association
- British Steel Industry
- British Valve and Actuator Manufacturers' Association
- British Welded Steel Tube Association
- Engineering Equipment and Materials Users' Association
- Food and Drink Federation
- Institution of Civil Engineers
- Institution of Gas Engineers
- Institution of Water and Environmental Management
- Large Diameter Steel Tube Association
- Mechanical Handling Engineers' Association
- Seamless Steel Tube Association
- Steel Construction Institute
- Society of Motor Manufacturers and Traders
- TI (Group Services)
- Water Companies' Association
- Water Services Association of England and Wales

This British Standard, having been prepared under the direction of the Piping Systems Components Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 January 1994
