Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Mechanical Engineering Standards Committee (MEE/-) to Technical Committee MEE/6 upon which the following bodies were represented:

- Department of Industry (Mechanical Engineering)
- Federation of British Engineers' Tool Manufacturers
- GAMBICA (BEAMA) Ltd.
- Health and Safety Executive
- Institution of Production Engineers
- Machine Tool Industry Research Association
- Ministry of Defence
- University of Aston in Birmingham
- University of Manchester Institute of Science and Technology
- Coopted members

This British Standard, having been prepared under the direction of the Mechanical Engineering Standards Committee, was published under the authority of the Board of BSI and comes into effect on 28 February 1985

© BSI 11-1999

First published October 1973
First revision February 1985

The following BSI references relate to the work on this standard:
