

Specification for

Wrought aluminium and aluminium alloys —

**For general engineering purposes.
Supplementary series —**

5554 Welding wire

Co-operating organizations

The Non-ferrous Metals Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

Aluminium Federation*	Institution of Mining and Metallurgy
Association of Bronze and Brass Founders	Institution of Production Engineers
Association of Consulting Engineers	Institution of Structural Engineers*
Board of Trade	Lead Development Association
British Bronze and Brass Ingot Manufacturers' Association	Light Metal Founders' Association
British Electrical and Allied Manufacturers' Association*	London Metal Exchange
British Lead Manufacturers' Association	Magnesium Industry Council
British Non-ferrous Metals Federation	Ministry of Defence, Army Department
British Non-ferrous Metals Federation High Conductivity Copper Group	Ministry of Defence, Navy Department*
British Non-ferrous Metals Research Association*	National Brassfoundry Association
Copper Development Association	Non-ferrous metal stockists*
Crown Agents for Oversea Governments and Administrations	Post Office
Electric Cable Makers' Confederation	Royal Institute of British Architects*
Institute of British Foundrymen	Society of British Aerospace Companies
Institute of Metals*	Society of Motor Manufacturers and Traders Ltd.*
Institution of Mechanical Engineers (Automobile Division)*	Tin Research Institute
	Zinc Development Association
	Individual manufacturers

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

ALARS (Association of Light Alloy Refiners and Smelters)	National Association of Drop Forgers and Stampers
Institute of Sheet Metal Engineering	National Federation of Vehicle Trades
Lloyd's Register of Shipping	Rolled Thread Screw Association
London Transport Board	Small Rivet Association
	Welding Institute

This British Standard, having been approved by the Non-ferrous Metals Industry Standards Committee, was published under the authority of the Executive Board on 31 December 1969
