

Specification for Slotted angles

Confirmed
November 2008

Co-operating organizations

The Mechanical Engineering Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

Associated Offices' Technical Committee	Institution of Gas Engineers
Association of Consulting Engineers	Institution of Heating and Ventilating Engineers
Association of Mining Electrical and Mechanical Engineers	Institution of Mechanical Engineers
Board of Trade	Institution of Mechanical Engineers (Automobile Division)
British Chemical Plant Manufacturers' Association	Institution of Production Engineers*
British Compressed Air Society	Locomotive and Allied Manufacturers' Association of Great Britain
British Electrical and Allied Manufacturers' Association	London Transport Board
British Gear Manufacturers' Association	Machine Tool Trades Association
British Internal Combustion Engine Manufacturers' Association	Ministry of Defence
British Steel Industry*	Ministry of Defence, Army Department
British Mechanical Engineering Federation*	Ministry of Labour (H.M. Factory Inspectorate)
British Pump Manufacturers Association	Ministry of Power
Crown Agents for Oversea Governments and Administrations	Ministry of Public Building and Works*
Electricity Council, the Central Electricity Generating Board and the Area Boards in England and Wales	Ministry of Technology
Engineering Equipment Users' Association*	Ministry of Technology — National Engineering Laboratory
Gas Council	Ministry of Transport
Institute of Marine Engineers	National Coal Board*
Institution of Civil Engineers	National Physical Laboratory (Ministry of Technology)
	Royal Institute of British Architects

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this standard:

Bristol Incorporated Chamber of Commerce and Shipping	Confederation of British Industry
Business Equipment Trade Association	Institution of Municipal Engineers

This British Standard, having been approved by the Mechanical Engineering Industry Standards Committee and endorsed by the Chairman of the Engineering Divisional Council, was published under the authority of the General Council on 20 September 1968
