

Specification for

Woodworking machines —

Part 3: Machine sizes and capacities

Co-operating organizations

The Mechanical Engineering Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

Associated Offices Technical Committee	Engineering Equipment Users' Association
Association of Consulting Engineers	Gas Council
Association of Hydraulic Equipment Manufacturers Ltd.	Institution of Civil Engineers
Association of Mining Electrical and Mechanical Engineers	Institution of Gas Engineers
British Compressed Air Society	Institution of Heating and Ventilating Engineers
British Electrical and Allied Manufacturers' Association	Institution of Mechanical Engineers
British Gear Manufacturers' Association	Institution of Mechanical Engineers (Automobile Division)
British Internal Combustion Engine Manufacturers' Association	Institution of Plant Engineers
British Mechanical Engineering Confederation	Institution of Production Engineers
British Pump Manufacturers' Association	Locomotive and Allied Manufacturers' Association of Great Britain
British Steel Industry	London Transport Executive
Crown Agents for Oversea Governments and Administrations	Machine Tools Trades Association*
Department of Employment (HM Factory Inspectorate)	Ministry of Defence
Department of the Environment	Ministry of Defence, Army Department
Department of Trade and Industry	National Coal Board
Department of Trade and Industry, National Engineering Laboratory	National Physical Laboratory (Department of Trade and Industry)
Electricity Council, the Central Electricity Generating Board and the Area Boards in England and Wales	Process Plant Association
	Royal Institute of British Architects
	Telecommunications Engineering Manufacturing Association
	Water-tube Boilermakers' Association

The industrial organization marked with an asterisk in the above list, together with the following, was directly represented on the committee entrusted with the preparation of this British Standard:

Agricultural Engineers' Association	Home Timber Merchants' Association of England and Wales
British Woodwork Manufacturers' Association	National Sawmilling Association
Department of Trade and Industry, Forest Products Research Laboratory	Saw Manufacturers' Association

This British Standard, having been approved by the Mechanical Engineering Industry Standards Committee, was published under the authority of the Executive Board on 28 July 1972
