

Methods of test for

Meat and meat products —

Part 11: Determination of
hydroxyproline content

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Consumer Products and Services Sector Board to Technical Committee AW/6, upon which the following bodies were represented:

- Association of Public Analysts
- British Food Manufacturing Industries Research Association
- British Meat Manufacturers' Association
- British Poultry Federation Ltd.
- Department of Trade and Industry (Laboratory of the Government Chemist)
- Meat and Livestock Commission
- Ministry of Agriculture, Fisheries and Food
- Royal Society of Chemistry
- Worshipful Company of Butchers

This British Standard, having been prepared under the direction of the Consumer Products and Services Sector Board, was published under the authority of the Standards Board and comes into effect on 15 February 1995
