

Screw conveyors —

Part 2: Specification for portable and mobile type (augers)

Confirmed
November 2008

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Mechanical Handling Standards Policy Committee (MHE/-) to Technical Committee MHE/9, upon which the following bodies were represented:

- AFRC Institute of Engineering
- Agricultural Engineers' Association
- Associated Offices Technical Committee
- Association of British Mining Equipment Companies
- Association of Consulting Engineers
- Automated Material Handling Systems Association
- British Aggregate Construction Materials Industries
- British Coal Corporation
- British Rubber Manufacturers' Association
- British Steel Industry
- Coke Oven Managers' Association
- Cranfield Institute of Technology
- Department of Trade and Industry [Mechanical Engineering and Manufacturing Technology Division (MMT)]
- Electrical, Electronic, Telecommunications and Plumbing Union
- Electricity Supply Industry in United Kingdom
- Engineering Equipment and Materials Users' Association
- Health and Safety Executive
- Institution of Mechanical Engineers
- Mechanical Handling Engineers' Association
- Solids Handling and Processing Association

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- National Farmers' Union
- Royal Society for the Prevention of Accidents

This British Standard, having been prepared under the direction of the Mechanical Handling Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 30 August 1991
