Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Fire Standards Committee (FSM/-) to Technical Committee FSM/9 upon which the following bodies were represented:

- Association of Metropolitan Authorities
- Chief and Assistant Chief Fire Officers' Association
- Department of the Environment (Building Research Establishment, Fire Research Station)
- Department of the Environment (Housing and Construction Industries)
- Department of Transport (Marine Directorate)
- Fire Protection Association
- Home Office
- Institution of Fire Engineers
- Royal Institute of British Architects

This British Standard, having been prepared under the direction of the Fire Standards Committee, was published under the authority of the Board of BSI and comes into effect on 30 November 1987

© BSI 03-1999

First published March 1969
First revision November 1987
