

Fuel filters, strainers and sedimentors for compression-ignition engines —

Part 2: Method of classification

UDC 621.436.043.7:621.43.038.772

Cooperating organizations

The Mechanical Engineering Standards Committee, under whose direction this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

Associated Offices Technical Committee	Electricity Supply Industry in England and Wales
Association of Consulting Engineers	Engineering Equipment Users' Association
Association of Hydraulic Equipment Manufacturers	Federation of Manufacturers' of Construction Equipment and Cranes
Association of Mining Electrical and Mechanical Engineers	Health and Safety Executive*
British Compressed Air Society*	Institution of Gas Engineers
British Electrical and Allied Manufacturers' Association (BEAMA)	Institution of Mechanical Engineers*
British Gas Corporation	Institution of Plant Engineers
British Gear Manufacturers' Association	Institution of Production Engineers
British Internal Combustion Engine Manufacturers' Association*	Lloyd's Register of Shipping
British Pump Manufacturers' Association	London Transport Executive*
British Steel Corporation	Machine Tool Industry Research Association
British Steel Industry	Ministry of Defence*
British Valve Manufacturers' Association	National Coal Board
Chartered Institution of Building Services	Oil Companies Materials Association
Crown Agents for Oversea Governments and Administrations	Process Plant Association
Department of the Environment	Railway Industry Association of Great Britain
Department of Industry, Mechanical Engineering	Society of Motor Manufacturers and Traders Limited*
Department of Industry, National Engineering Laboratory	Telecommunication Engineering and Manufacturing Association (TEMA)
Department of Trade (Marine Division)	Water-tube Boilermakers' Association

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

CBMPE	Hevac Association
Department of the Environment (PSA)	Motor Industry Research Association
Department of the Environment, Building Research Establishment	Society of Environmental Engineers
Filtration Society	Individual Experts

This British Standard, having been prepared under the direction of the Mechanical Engineering Standards Committee, was published under the authority of the Executive Board and comes into effect on 30 April 1980
