

Specification for

# Paper covered copper conductors —

Part 2: Rectangular conductors

# Co-operating organizations

The Electrical Industry Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government departments and scientific and industrial organizations:

- Associated Offices' Technical Committee
- Association of Consulting Engineers
- Association of Manufacturers of Domestic Electrical Appliances
- Association of Mining Electrical and Mechanical Engineers
- Association of Supervisory and Executive Engineers
- British Electrical and Allied Manufacturers' Association\*
- British Radio Equipment Manufacturers' Association\*
- British Railways Board
- Crown Agents for Oversea Governments and Administrations
- Department of Employment and Productivity
- Electric Cable Makers' Confederation\*
- Electrical Contractors' Association (Incorporated)
- Electrical Contractors' Association of Scotland
- Electrical Research Association\*
- Electricity Council, the Central Electricity Generating Board and the Area Boards in England and Wales
- Electronic Engineering Association\*
- Engineering Equipment Users' Association
- Institution of Electrical Engineers
- Lighting Industry Federation Limited
- Ministry of Defence
- Ministry of Defence, Army Department\*
- Ministry of Defence, Navy Department\*
- Ministry of Public Building and Works
- Ministry of Technology\*
- Municipal Passenger Transport Association (Incorporated)
- National Inspection Council for Electrical Installation Contracting
- National Physical Laboratory (Ministry of Technology)
- Oil Companies Materials Association
- Post Office
- Public Transport Association (Incorporated)
- South of Scotland Electricity Board

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- British Fractional Horsepower Electric Motor Manufacturers' Association
- British Non-Ferrous Metals Federation High Conductivity Copper Group
- Copper Development Association
- Covered Conductors Association
- British Paper and Board Makers' Association
- British Paper and Board Makers' Association (Technical Section)
- Research Association for the Paper and Board, Printing and Packaging Industries (PIRA)
- Radio and Electronic Component Manufacturers' Federation
- Society of Motor Manufacturers and Traders Limited
- Telecommunication Engineering and Manufacturing Association
- Telephone Manufacturers' Technical Development Committee

This British Standard, having been approved by the Electrical Industry Standards Committee, was published under the authority of the Executive Board on 17 December 1970
