## Co-operating organizations

The Electrical Industry Standards Committee under whose supervision this British Standard was prepared consists of representatives from the following Government departments and scientific and industrial organizations:

|                                                                                                         |                                                                     |
|---------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------|
| Associated Offices' Technical Committee                                                                 | Electronic Engineering Association                                  |
| Association of Consulting Engineers*                                                                    | Engineering Equipment Users' Association*                           |
| Association of Mining Electrical and Mechanical Engineers*                                              | Institution of Electrical Engineers                                 |
| Association of Supervisory and Executive Engineers                                                      | Lighting Industry Federation Limited                                |
| British Electrical and Allied Manufacturers' Association*                                               | Ministry of Technology*                                             |
| British Railways Board                                                                                  | Ministry of Defence*                                                |
| British Radio Equipment Manufacturers' Association                                                      | Ministry of Defence, Army Department                                |
| Crown Agents for Oversea Governments and Administrations                                                | Ministry of Defence, Navy Department                                |
| Department of Employment and Productivity*                                                              | Ministry of Power*                                                  |
| Electric Cable Makers' Confederation*                                                                   | Ministry of Public Building and Works*                              |
| Electrical Contractors' Association (Incorporated)                                                      | Municipal Passenger Transport Association (Incorporated)            |
| Electrical Contractors' Association of Scotland                                                         | National Inspection Council for Electrical Installation Contracting |
| Electrical Research Association*                                                                        | National Physical Laboratory (Ministry of Technology)               |
| Electricity Council, the Central Electricity Generating Board and the Area Boards in England and Wales* | Oil Companies Materials Association*                                |
|                                                                                                         | Post office *                                                       |
|                                                                                                         | Public Transport Association (Incorporated)                         |
|                                                                                                         | South of Scotland Electricity Board                                 |

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the Committee entrusted with the preparation of this British Standard:

|                                                             |                                                                              |
|-------------------------------------------------------------|------------------------------------------------------------------------------|
| British Industrial Truck Association                        | British Chemical Engineering Contractors Association                         |
| Council of Underground Machinery Manufacturers              | National Coal Board                                                          |
| Fire Offices Committee                                      | British Industrial Measuring and Control Apparatus Manufacturers Association |
| Fire Protection Association                                 | Council of British Manufacturers of Petroleum Equipment                      |
| Institute of Petroleum                                      |                                                                              |
| Institution of Mining Engineers                             |                                                                              |
| Telecommunication Engineering and Manufacturing Association |                                                                              |

This British Standard, having been approved by the Electrical Industry Standards Committee, was published under the authority of the Executive Board on 12 March, 1971
