

BS 4727 : Part 2 : Group 01 : 1971

**GLOSSARY OF
ELECTROTECHNICAL, POWER,
TELECOMMUNICATION,
ELECTRONICS, LIGHTING AND
COLOUR TERMS**

**PART 2. TERMS PARTICULAR TO
POWER ENGINEERING**

Group 01. General power terminology

BRITISH STANDARDS INSTITUTION

Incorporated by Royal Charter

2 PARK STREET, LONDON W1A 2BS

Telex : 266933

Telephone : 01-629 9000

THIS BRITISH STANDARD, having been approved by the Electrical Industry Standards Committee and the Telecommunication Industry Standards Committee, was published under the authority of the Executive Board on 31 March, 1971.

© British Standards Institution, 1971.

SBN: 580 06319 4

The Institution desires to call attention to the fact that this British Standard does not purport to include all the necessary provisions of a contract.

In order to keep abreast of progress in the industries concerned, British Standards are subject to periodical review. Suggestions for improvements will be recorded and in due course brought to the notice of the committees charged with the revision of the standards to which they refer.

A complete list of British Standards, numbering over 5000, fully indexed and with a note of the contents of each, will be found in the British Standards Yearbook. The BS Yearbook may be consulted in many public libraries and similar institutions.

British Standards are revised, when necessary, by the issue either of amendment slips or of revised editions. It is important that users of British Standards should ascertain that they are in possession of the latest amendments or editions.

The following BSI references relate to the work on this standard:

Committee reference ELE/TLE/1, ELE/TLE/1/10

Draft for comment 68/18739

CO-OPERATING ORGANIZATIONS

The Electrical Industry Standards Committee and the Telecommunications Industry Standards Committee, under whose supervision this British Standard was prepared, consist of representatives from the following Government departments and scientific and industrial organizations:

- | | |
|---|---|
| Associated Offices' Technical Committee | Engineering Equipment Users' Association |
| *Association of Consulting Engineers | *Institution of Electrical Engineers |
| Association of Manufacturers of Domestic Electrical Appliances | *Institution of Electronic and Radio Engineers |
| Association of Mining Electrical and Mechanical Engineers | Institution of Production Engineers |
| Association of Supervisory and Executive Engineers | *Lighting Industry Federation Limited |
| *British Broadcasting Corporation | *Ministry of Defence |
| *British Electrical and Allied Manufacturers' Association | Ministry of Defence, Army Department |
| *British Radio Equipment Manufacturers' Association | *Ministry of Defence, Navy Department |
| *British Radio Valve Manufacturers' Association | *Ministry of Public Building and Works |
| *British Railways Board | *Ministry of Technology (Aviation) |
| Cable and Wireless Limited | Municipal Passenger Transport Association (Incorporated) |
| Crown Agents for Oversea Governments and Administrations | National Inspection Council for Electrical Installation Contracting |
| Department of Employment and Productivity | National Physical Laboratory (Ministry of Technology) |
| Electric Cable Makers' Confederation | Oil Companies Materials Association |
| Electrical Contractors' Association (Incorporated) | *Post Office |
| Electrical Contractors' Association of Scotland | Public Transport Association (Incorporated) |
| Electrical Research Association | *Radio and Electronic Component Manufacturers' Federation |
| *Electricity Council, the Central Electricity Generating Board and the Area Boards in England and Wales | Relay Services Association of Great Britain |
| *Electronic Engineering Association | *Science Research Council—Radio and Space Research Station |
| *Electronic Valve and Semi-conductor Manufacturers' Association | Scientific Instrument Manufacturers' Association |
| | Society of British Aerospace Companies |
| | South of Scotland Electricity Board |
| | *Telecommunication Engineering and Manufacturing Association |

The Government departments and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

Institute of Physics and the Physical Society
Radio and Electronics Technical Press

Telephone Manufacturers' Technical Development Committee

GUIDE TO THE GLOSSARY

Part 1. Terms common to power, telecommunications and electronics

- Group 01. Fundamental concepts
- Group 02. General technological terminology
- Group 03. Relay terminology*
- Group . Semiconductor terminology*
- Group . Electronic tube terminology*
- Group . Measurement terminology*
- Group . Magnetism terminology*
- Group . Radiological terminology*
- Group . Radio interference terminology*
- Group . Integrated electronic circuit terminology*

Titles to any further groups will be added in due course.

Part 2. Terms particular to power engineering

- Group 01. General power terminology**
- Group 02. Static convertor terminology
- Group 03. Rotating machinery terminology*
- Group 04. Transformer terminology*
- Group . Power switchgear terminology*
- Group . Power systems terminology*
- Group . Systems operation terminology*
- Group . Traction terminology*
- Group . Tariffs terminology*

Not yet published as at March, 1971.

Titles to any further groups will be added in due course.

Part 3. Terms particular to telecommunications and electronics

- Group 01. General telecommunication and electronics terminology*
- Group 02. Telephony terminology*
- Group 03. Telegraphy, including facsimile, terminology*
- Group 04. Broadcasting, radio and television terminology*
- Group 05. Propagation and media terminology*
- Group 06. Radio location and navigation terminology*
- Group 07. Radiocommunications terminology*

Titles to any further groups will be added in due course.

Part 4. Terms particular to lighting and colour

- Group 01. Radiation and photometry terminology*
- Group 02. Vision and colour terminology*
- Group 03. Lighting technology terminology*
