

Hydraulic equipment for agricultural machinery —

Part 2: Specification for quick-action hydraulic couplers for general purposes

UDC 631.3:621.838.4

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Agricultural Machinery and Implements Standards Policy Committee (AGE/-) to Technical Committee AGE/32, upon which the following bodies were represented:

- Agricultural and Allied Workers National Trade Group
- Agricultural Engineers Association
- British Fluid Power Association
- Department of Transport
- Health and Safety Executive
- Local Authority Organisations
- Ministry of Agriculture, Fisheries and Food
- National Farmers' Union
- Silsoe Research Institute
- Coopted members

This British Standard, having been prepared under the direction of the Agricultural Machinery and Implements Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 January 1993
