

Hydraulic equipment for agricultural machinery —

Part 4: Specification for hydraulic couplings on braking systems for trailers and trailed equipment

[ISO title: Tractors and machinery for agriculture and
forestry — Hydraulic coupling — Braking circuit]

UDC 631.372:629.114.2 – 578.4

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Agricultural Machinery and Implements Standards Committee (AGE/-) to Technical Committee AGE/25, upon which the following bodies were represented:

- Agricultural Engineers' Association
- Association of Hydraulic Equipment Manufacturers
- British Agricultural and Garden Machinery Association Ltd.
- Ministry of Agriculture, Fisheries and Food
- National Farmers' Union
- National Institute of Agricultural Engineering

This British Standard, having been prepared under the direction of the Agricultural Machinery and Implements Standards Committee, was published under the authority of the Board of BSI and comes into effect on 29 November 1985
