Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee STI/28, Paint systems for non-metallic substrates, upon which the following bodies were represented:

- British Cement Association
- British Coatings Federation Ltd.
- British Decorators' Association
- Department for Education
- Department of the Environment, Transport and the Regions (represented by the Building Research Establishment)
- Department of the Environment, Transport and the Regions (Construction Sponsorship Directorate)
- European Resin Manufacturers' Association
- Furniture Industry Research Association
- Oil and Colour Chemists' Association
- Society of Chemical Industry
- Timber Research and Development Association
- Union of Construction, Allied Trades and Technicians

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 July 1998

© BSI 1998

First published August 1971
Second edition July 1998
