Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Textiles and Clothing Standards Policy Committee (TCM/-) to Technical Committee TCM/45, upon which the following bodies were represented:

- Associated Offices Technical Committee
- Association of Metropolitan Authorities
- British Tugowners' Association
- Chief and Assistant Chief Fire Officers' Association
- Cordage Manufacturers Institute
- Department of Trade and Industry (National Engineering Laboratory)
- Federation of Wire Rope Manufacturers of Great Britain
- GMC County Fire Service
- Health and Safety Executive
- Institution of Fire Engineers
- Made-Up Textiles Association
- Ministry of Defence
- National Caving Association
- National Federation of Master Steeplejacks and Lightning Conductor Engineers
- Scottish Office (Agriculture and Fisheries Department)
- Textile Institute

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- Linen Sewing Thread Manufacturers' Association
- Scottish Net Manufacturers' Association

This British Standard, having been prepared under the direction of the Textiles and Clothing Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 February 1993
