Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the General Mechanical Engineering Standards Policy Committee (GME/-) to Technical Committee GME/6, upon which the following bodies were represented:

- British Friction Materials Council
- British Industrial Fasteners Federation
- British Railways Board
- British Steel Industry
- British Steel Industry (Wire Section)
- Institution of Structural Engineers
- Ministry of Defence
- National Association of Fastener Stockholders
- Society of Motor Manufacturers and Traders Limited

This British Standard, having been prepared under the direction of the General Mechanical Engineering Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 May 1993

© BSI 07-1999

First published April 1973
Second edition May 1993
