Cooperating organizations

The Mechanical Engineering Standards Committee, under whose direction this British Standard was prepared, consists of representatives from the following:

Associated Offices Technical Committee	Department of Trade (Marine Division)
Association of Consulting Engineers	Department of Transport
Association of Hydraulic Equipment Manufacturers	Electricity Supply Industry in England and Wales
Association of Mining Electrical and Mechanical Engineers	Engineering Equipment Users' Association
British Compressed Air Society	Federation of Manufacturers of Construction Equipment and Cranes
British Electrical and Allied Manufacturers' Association (BEAMA)	Health and Safety Executive
British Gas Corporation	Institution of Gas Engineers
British Gear Manufacturers' Association	Institution of Mechanical Engineers*
British Internal Combustion Engine Manufacturers' Association	Institution of Plant Engineers
British Pump Manufacturers' Association	Institution of Production Engineers
British Steel Corporation	Lloyd's Register of Shipping
British Steel Industry	London Transport Executive
Cbmpe	Machine Tool Industry Research Association
Chartered Institution of Building Services	Ministry of Defence
Crown Agents for Oversea Governments and Administrations	National Coal Board
Department of Industry (Mechanical Engineering)	Oil Companies Materials Association
Department of Industry (National Engineering Laboratory)	Process Plant Association
Department of the Environment (PSA)	Society of Motor Manufacturers and Traders Limited
	Telecommunication Engineering and Manufacturing Association (TEMA)
	Water-tube Boilermaker's Association

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the Technical Committee entrusted with the preparation of this British Standard:

Aluminium Federation	Bureau Veritas
Association of British Railway Carriage and Wagon Manufacturers	Greater London Council
British Industrial Fasteners Federation	Institution of Structural Engineers
British Steel Industry (Wire Section)	Railway Industry Association of Great Britain

This British Standard, having been prepared under the direction of the Mechanical Engineering Standards Committee, was published under the authority of the Executive Board and comes into effect on 30 November 1981
