Foreword

This British Standard has been prepared by Technical Committee TCI/6,
Upholstery fabrics,

A background paper describing the development of the test method is published
in *Textile Institute and Industry*, 1971, Vol 9, No. 12.

This edition introduces technical changes but it does not reflect a full review or
revision of the standard, which will be undertaken in due course.

A British Standard does not purport to include all the necessary provisions of a
contract. Users of British Standards are responsible for their correct application.

**Compliance with a British Standard does not of itself confer immunity
from legal obligations.**
