

Interlinings —

Part 4: Specification for woven sew-in interlinings

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Textiles and Clothing Standards Policy Committee (TCM/-) to Technical Committee TCM/5, upon which the following bodies were represented:

- British Interlining Manufacturers' Association
- British Nonwovens Manufacturers' Association
- British Railways Board
- Council of British Cotton Textiles (CBCT)
- Home Office
- London Regional Transport
- Ministry of Defence
- Textile Finishers' Association
- Textile Research Council (FCRA)

This British Standard, having been prepared under the direction of the Textiles and Clothing Standards Policy Committee, was published under the authority of the Board of BSI and comes into effect on 31 December 1990

© BSI 12-1999

First published October 1981
Second edition December 1990
