

Methods of test for

Aluminium fluoride for industrial use —

Part 10: Determination of phosphorus content

Methods of test for

Cryolite —

Part 13: Determination of phosphorus content

[ISO title: Cryolite, natural and artificial, and aluminium fluoride for industrial use — Determination of phosphorus content — Atomic absorption spectrometric method after extraction]

UDC 661.862.361:543.422.062:546.18

Committees responsible for this British Standard

This British Standard was published under the direction of the Chemicals Standards Committee CIC/-. Its preparation was entrusted to Technical Committee CIC/24 upon which the following bodies were represented:

- Aluminium Federation
- British Ceramic Research Association
- Chemical Industries Association

This British Standard, having been prepared under the direction of the Chemicals Standards Committee, was published under the authority of the Board of BSI and comes into effect on 31 May 1983
