## Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee ACE/12, Aerospace fasteners and fastening systems, upon which the following bodies were represented:

Civil Aviation Authority (Airworthiness Division)  
Confederation of British Forgers  
Ministry of Defence  
Society of British Aerospace Companies Limited

Co-opted member

This British Standard, having been approved by the Engineering Sector Committee, was published under authority of the Standards Committee and comes into effect on 15 July 1999

# Foreword

## Publishing information

This British Standard is published by BSI Standards Limited, under licence from The British Standards Institution, and came into effect on 15 July 1999. It was prepared by Technical Committee ACE/12, *Aerospace fasteners and fastening systems*. A list of organizations represented on this committee can be obtained on request to its secretary.

## Supersession

BS 4A 114:1999+A2:2015 supersedes BS 4A 114:1999+A1:2012, which is withdrawn.

## Information about this document

Text introduced or altered by Amendments No. 1 (and No. 2, respectively) are indicated in the text by tags **A1** **A1** (and **A2** **A2**). Minor editorial changes are not tagged.

## Contractual and legal considerations

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

**Compliance with a British Standard cannot confer immunity from legal obligations.**

## Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, pages 1 to 7 and a back cover.
