

Specification for

Aircraft pressure refuelling connectors

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Aerospace Standards Policy Committee (ACE/-) to Technical Committee ACE/14, upon which the following bodies were represented:

- British Independent Steel Producers' Association
- Civil Aviation Authority (Airworthiness Division)
- Federation of Wire Rope Manufacturers of Great Britain
- Institute of Petroleum
- Ministry of Defence
- Society of British Aerospace Companies Limited
- Stainless Steel Wire Industry Association

This British Standard, having been prepared under the direction of the Aerospace Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 30 August 1991
