Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee ACE/58, Environmental and operating conditions for aircraft equipment, upon which the following bodies were represented:

- Civil Aviation Authority
- Federation of the Electronics Industry
- Ministry of Defence
- Society of British Aerospace Companies
- Society of Environmental Engineers

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 June 1996

© BSI 11-1999

First published February 1982
Second edition December 1987
Third edition August 1993
Fourth edition June 1996
