Foreword

Publishing information

This British Standard is published by BSI Standards Limited, under licence from The British Standards Institution, and came into effect on 31 January 1964. It was prepared by Technical Committee ACE/61, *Metallic materials for aerospace purposes*. A list of organizations represented on this committee can be obtained on request to its secretary.

Supersession

BS 4S 28:1964+A3:2015 supersedes BS 4S 28:1964 (Incorporating Amendments No. 1 and 2), which is withdrawn.

Information about this document

Text introduced or altered by Amendment No. 3 is indicated in the text by tags **A3** **A3**. Minor editorial changes are not tagged. Previous amendments are not indicated.

Contractual and legal considerations

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been approved by the Aircraft Industry Standards Committee and endorsed by the Chairman of the Engineering Divisional Council, was published under authority of the General Council of the Institution on 31 January 1964
