

Testing corrosion inhibiting, engine coolant concentrate ("antifreeze") —

Part 2: Methods of test for corrosion inhibition performance —

Section 2.2 Glassware tests —

NOTE It is recommended that this Section be read in conjunction with the information given in the "General introduction" published separately as BS 5117-0.

UDC 661.17:621.43 – 715.4:620.197.3

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Chemicals Standards Committee, was published under the authority of the Board of BSI and comes into effect on 28 June 1985
