Cooperating organizations

The Acoustics Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government department and scientific and industrial organizations:

- Association of Consulting Engineers
- British Broadcasting Corporation
- British Kinematograph Sound and Television Society
- British Radio Equipment Manufacturers' Association
- Cinematograph Exhibitors' Association of Great Britain and Ireland
- Department of Industry — National Physical Laboratory*
- Engineering Equipment Users' Association
- Incorporated Association of Architects and Surveyors
- Institution of Mechanical Engineers
- Institution of Municipal Engineers
- Institute of Acoustics
- Institute of Physics
- Institute of Sound and Vibration Research*
- Institution of Electronic and Radio Engineers
- Post Office
- Royal Institute of British Architects
- Society of British Aerospace Companies*
- Transmission Distributors' Association (BEAMA)

The Government department and scientific and industrial organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- Civil Aviation Authority
- British Airways — Overseas Division
- Department of the Environment
- Department of Industry
- Ministry of Defence
- Medical Research Council
- Royal Aeronautical Society

This British Standard, having been prepared under the direction of Engineering Divisional Council, was published under the authority of the Executive Board on 30 July 1976
