

Methods for

Sampling meat and meat products —

Part 1: Taking primary samples

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Agriculture and Food Standards Policy Committee (AFC/-) to Technical Committee AFC/6, upon which the following bodies were represented:

- AFRC Institute of Food Research
- Association of Public Analysts
- Bacon and Meat Manufacturers' Association
- British Food Manufacturing Industries Research Association
- British Poultry Federation Ltd.
- Department of Health
- Department of Trade and Industry (Laboratory of the Government Chemist)
- Institute of Meat
- Meat and Livestock Commission
- Ministry of Agriculture, Fisheries and Food
- Public Health Laboratory Service
- Retail Consortium
- Royal Society of Chemistry

This British Standard, having been prepared under the direction of the Agriculture and Food Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 31 October 1991

© BSI 12-1999

First published April 1976
Second edition October 1991
