

Code of practice for

Installation of security glazing

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee B/520, Glass and glazing in building, to Subcommittee B/520/3, Security glazing, upon which the following bodies were represented:

- Association for Payment Clearing Services
- Association of Building Engineers
- Association of Burglary Insurance Surveyors
- Banking Insurance and Finance Union
- British Security Industry Association
- City of London Police
- Department of the Environment (Building Research Establishment)
- Department of the Environment (Construction Directorate)
- Department of the Environment (Explosion Protection Branch)
- Federation of the Electronics Industry
- Flat Glass Manufacturers' Association
- Glass and Glazing Federation
- Home Office
- Loss Prevention Council
- Post Office
- Royal Institute of British Architects

This British Standard, having been prepared under the direction of the Sector Board for Building and Civil Engineering, was published under the authority of the Standards Board and comes into effect on 15 October 1995
