Cooperating organizations

The Non-Ferrous Metals Standards Committee, under whose supervision this British Standard was prepared, consists of representatives from the following Government department and scientific and industrial organizations:

- Aluminium Federation
- Association of Bronze and Brass Founders
- BNF Metals Technology Centre*
- British Electrical and Allied Manufacturers' Association*
- British Lead Manufacturers' Association
- British Non-Ferrous Metals Federation*
- Copper Development Association*
- Electric Cable Makers' Federation
- Institute of British Foundrymen
- Institution of Mechanical Engineers*
- Institution of Mining and Metallurgy
- Institution of Production Engineers
- Institution of Structural Engineers
- Lead Development Association
- Light Metal Founders' Association
- London Metal Exchange
- Magnesium Industry Council
- Ministry of Defence*
- National Brassfoundry Association
- Non-Ferrous Metal Stockists*
- Royal Institute of British Architects
- Society of Motor Manufacturers and Traders Limited
- Tin Research Institute
- Zinc Development Association
- Individual manufacturers*

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- British Gas Corporation
- Copper Tube Fittings Manufacturers' Association
- Department of the Environment
- Electricity Supply Industry in England and Wales
- Engineering Industries Association
- Institution of Gas Engineers
- Institution of Heating and Ventilating Engineers
- National Association of Plumbing, Heating and Mechanical Services Contractors
- National Water Council
- Oil Companies Materials Association

This British Standard, having been prepared under the direction of the Non-Ferrous Metals Standards Committee, was published under the authority of the Executive Board on 30 November 1976
