

Method for

Evaluation of non-oil-extended solution-polymerized isoprene rubber (IR)

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Plastics and Rubber Standards Policy Committee (PRM/-) to Technical Committee PRM/50, upon which the following bodies were represented:

- British Rubber Manufacturers' Association
- Chemical Industries' Association
- Malaysian Rubber Producers' Research Association
- Ministry of Defence

This British Standard, having been prepared under the direction of the Plastics and Rubber Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 28 June 1991

© BSI 10-1999

First published May 1977
Second edition April 1984
Third edition June 1991
