Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the General Mechanical Engineering Standards Committee (GME/-) to Technical Committee GME/4, upon which the following bodies were represented:

- Amalgamated Union of Engineering Workers (Technical and Supervisory Section)
- British Paper and Board Industry Federation
- British Railways Board
- British Standards Society
- Drawing Office Material Manufacturers' and Dealers' Association
- Electricity Supply Industry in England and Wales
- Electronic Engineering Association
- Engineering Equipment and Materials Users' Association
- Gauge and Tool Makers' Association
- Institution of Chemical Engineers
- Institution of Electrical Engineers
- Institution of Electronic and Radio Engineers
- Institution of Engineering Designers
- Institution of Mechanical Engineers
- Institution of Production Engineers
- Ministry of Defence
- Society of British Aerospace Companies Limited
- Telecommunication Engineering and Manufacturing Association
- United Kingdom Atomic Energy Authority

The following body was also represented in the drafting of the standard, through subcommittees and panels:

Post Office

This British Standard, having been prepared under the direction of the General Mechanical Engineering Standards Committee, was published under the authority of the Board of BSI and comes into effect on 31 August 1988

© BSI 03-1999
First published January 1978
First revision August 1988
