Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Cinematography and Photography Standards Policy Committee (CPM/-) to Technical Committee CPM/7, upon which the following bodies were represented:

- Association of Independent Cinemas
- British Broadcasting Corporation
- British Film Institute
- British Gear Association
- British Kinematograph, Sound and Television Society
- British Photographic Association
- Broadcasting Entertainment Cinematograph and Theatre Union
- Cinematograph Exhibitors' Association of Great Britain and Ireland
- Department of Education and Science
- Independent Television Companies' Association
- Institute of Amateur Cinematographers
- Institution of Incorporated Executive Engineers
- Lighting Industry Federation Ltd.
- National Council for Educational Technology

This British Standard, having been prepared under the direction of the Cinematography and Photography Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 September 1993

Foreword

This Subsection of BS 5550 has been prepared under the direction of the Cinematography and Photography Standards Policy Committee. It supersedes part of the content of BS 1488:1971, which is withdrawn.

The content of BS 1488:1971 which is not contained in this revision relates to sound test films, the requirements for which are specified in BS 5550-5.4.2:1983 and BS 5550-5.4.5:1987.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, pages 1 to 6, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
