ICS 37.060.99

Confirmed November 2008

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee CPW/36, Cinematography, upon which the following bodies were represented:

- Association of Motion Picture Sound
- British Kinematograph, Sound and Television Society
- Broadcasting Entertainment Cinematograph and Theatre Union

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- Cinema Exhibitions Association
- Society of Film Distributors
- Co-opted members

This British Standard, having been prepared under the direction of the Consumer Products and Services Sector Committee, was published under the authority of the Standards Committee and comes into effect on 15 September 2000
