

Fertilizers —

Part 4: Chemical analysis —

Section 4.1 Determination of nitrogen —

Subsection 4.1.5 Method for determination of urea nitrogen content (gravimetric method using xanthydrol)

UDC 631.8:543.21:546.17

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Chemicals Standards Policy Committee (CIC/-) to Technical Committee CIC/37, upon which the following bodies were represented:

- Association of Public Analysts
- British Aggregate Construction Materials Industries
- British Coal Corporation
- Chemical Industries Association
- Consumers' Association
- Department of Trade and Industry (Laboratory of the Government Chemist)
- Fertiliser Manufacturers' Association Ltd.
- Horticultural Trades Association
- Institute of Trading Standards Administration
- Ministry of Agriculture, Fisheries and Food
- Ministry of Defence

This British Standard, having been prepared under the direction of the Chemicals Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 May 1993
