# Cooperating organizations

The Non-Ferrous Metals Standards Committee, under whose direction this British Standard was prepared, consists of representatives from the following Government department and scientific and industrial organizations:

- Aluminium Federation
- Association of Bronze and Brass Founders
- BNF Metals Technology Centre\*
- British Electrical and Allied Manufacturers' Association (BEAMA)
- British Lead Manufacturers' Association
- British Non-ferrous Metals Federation\*
- Copper Development Association\*
- Electric Cable Makers' Confederation\*
- Institute of British Foundrymen
- Institution of Mechanical Engineers
- Institution of Mining and Metallurgy
- Institution of Production Engineers
- Institution of Structural Engineers
- International Tin Research Institute
- Lead Development Association
- Light Metal Founders' Association
- London Metal Exchange
- Magnesium Industry Council
- Ministry of Defence\*
- National Brassfoundry Association
- Non-Ferrous Metal Stockists\*
- Royal Institute of British Architects
- The Society of Motor Manufacturers and Traders Limited
- Zinc Development Association
- Individual expert

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- British Railways Board
- Covered Conductors Association
- Institute of Sheet Metal Engineering
- Post Office
- Rotating Electrical Machines Association (BEAMA)
- Telecommunication Engineering and Manufacturing Association (TEMA)
- The Metals Society
- The Transmission and Distribution Association (BEAMA)
- Wire Machinery Association
- Individual company

This British Standard, having been prepared under the direction of the Non-Ferrous Metals Standards Committee, was published under the authority of the Executive Board and comes into effect on 31 May 1979
