

Varnished fabrics for electrical purposes —

Part 3: Specifications for individual materials —

Section 3.1 Oleoresinous varnish — cotton base, OR/C

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee GEL/15, Insulating material, to Subcommittee GEL/15/3/10, Flexible composites and textiles, upon which the following bodies were represented:

- British Narrow Fabrics Association
- Covered Conductors Association
- ERA Technology Ltd.
- Electrical and Electronic Insulation Association (BEAMA Ltd.)
- Federation of the Electronics Industry

This British Standard, having been prepared under the direction of the Electrotechnical Sector Board, was published under the authority of the Standards Board and comes into effect on 15 January 1996
