Cooperating organizations

The Electronic Equipment Standards Committee, under whose direction this British Standard was prepared, consists of representatives from the following Government department and scientific and industrial organizations:

- British Broadcasting Corporation*
- British Electrical and Allied Manufacturers' Association (BEAMA)
- British Radio Equipment Manufacturers' Association
- Cable and Wireless Limited
- Cable Television Association of Great Britain
- Electricity Supply Industry in England and Wales
- Electronic Components Industry Federation
- Electronic Engineering Association
- Institution of Electronic and Radio Engineers*
- Ministry of Defence*
- Post Office*
- Post Office Engineering Union
- Scientific Instrument Manufacturers' Association

The organizations marked with an asterisk in the above list, together with the following, were directly represented on the committee entrusted with the preparation of this British Standard:

- British Association of Otolaryngologists
- British Medical Association
- British Society of Audiology
- Department of Health and Social Security
- Department of Industry (National Physical Laboratory)
- Health and Safety Executive
- Institute of Physics
- Institute of Sound and Vibration Research
- Hearing Aid Industry Association
- Medical Research Council
- Royal Aeronautical Society
- Royal National Institute for the Deaf
- Royal Society of Medicine
- Society of Hearing Aid Audiologists Limited

This British Standard, having been prepared under the direction of the Electronic Equipment Standards Committee, was published under the authority of the Executive Board and comes into effect on 30 March 1979
